

One Raven. Every answer.

◆ BUILT FOR MALAYSIAN SMES

RAVEN AI.

The smart AI assistant
that knows your
business **inside out.**

Lives natively on WhatsApp

Trains on your knowledge base

Speaks the way Malaysians talk

Answers with sources & facts

Doesn't just retrieve. Thinks & recommends

*“Built where Malaysian business actually happens —
your WhatsApp messenger.”*

THE PROBLEM

Your knowledge is **everywhere** — and nowhere.

- 📁 Manuals in folders
- 📄 Policies in PDFs
- 📖 Specs in catalogues
- 🧠 SOPs in someone's head

Your team wastes **hours** hunting for answers that should take **seconds**.

67%

of staff time spent **searching**, not doing

**RM
50K**

lost yearly to repeat questions & rework

3-5x

longer to onboard a new hire

**It's not a productivity problem.
It's a knowledge problem.**

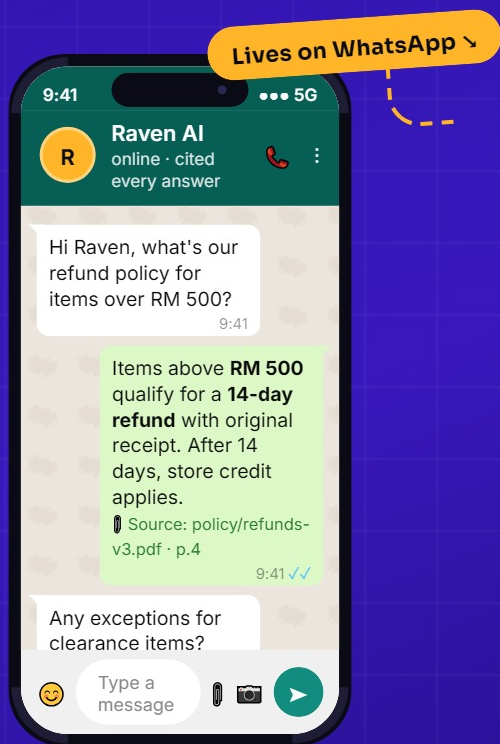

MEET

Raven AI.

Upload your documents.

Ask questions.

Get answers — **with sources.**

No new app. No new system. Just answers, where you already work.

WHAT RAVEN AI DOES

One brain. Every channel. Your data.

- ✓ **Reads** your documents in minutes
- ✓ **Answers** questions in seconds
- ✓ **Shows the exact source** for every answer
- ✓ **Lives natively on WhatsApp** — plus Telegram, Teams & web
- ✓ **Speaks** English, Bahasa Malaysia, and Chinese
- ✓ **Hosted in Malaysia** — your data stays yours

IN ACTION · DISTRIBUTORS

A customer asks. Raven answers.

For aircond, auto-parts & hardware distributors —
hundreds of brochures, one chat window.

+30%

more enquiries handled —
same headcount, same hours.

WHY TEAMS CHOOSE US

Six reasons you'll love it.

Instant Answers

Ask. Get. Done. Backed by your documents.

Always Accurate

Every answer shows its source. Verify in one click.

Trained On You

PDFs, Word, PPT, Excel, websites — learns in minutes.

WhatsApp First

Where Malaysia works. Telegram, Teams, web too.

Speaks Malaysian

EN, BM, 中文 — and the code-switched mix.

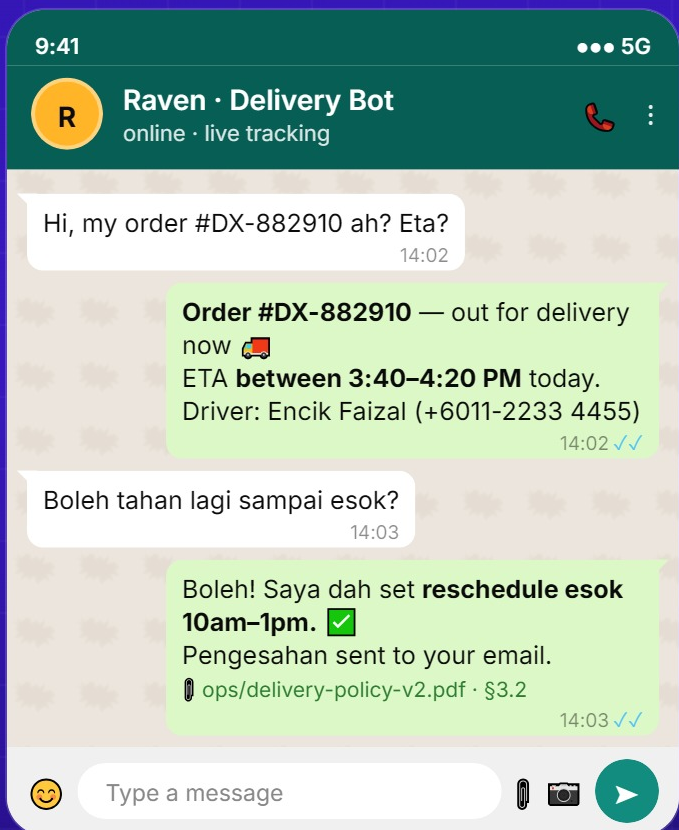

Your Data Stays

Hosted in Malaysia. Encrypted. Never re-used.

IN ACTION · LOGISTICS

"Where is my parcel?"

Pulls live tracking + delivery context. Replies in their language.

-40%
response time

24 / 7
no SLA breach

RAVEN AI RAVEN AI RAVEN

ONE PLATFORM

Six AI staff, ready day one.

Pre-built for the roles every business already has.

Sales Assistant

Quotes, stock checks, product specs, follow-ups.

HR Assistant

Leave, EPF/SOCSSO, claims, benefits — 24/7.

IT Helpdesk

Resets, troubleshooting — auto-ticketed.

Marketing

Emails, ad copy, posts — in your brand voice.

Business Consultant

Ideas, summaries, next steps, options.

Creative

Briefs, concepts, translations — unblocked.

Need something custom?

Anything you can describe, Raven can do. Add your own assistant on day one.

RAVEN AI RAVEN AI RAVEN

WHERE YOUR TEAM ALREADY TALKS

WhatsApp

Business doesn't happen in apps. It happens in **WhatsApp.**

Your customers chat. Your suppliers chat. Your staff chat.

*That's why Raven AI is **fully integrated with WhatsApp** — not bolted on. Built to live there from the start.*

- ✓ **Zero Learning Curve.**
Staff already use WhatsApp every day. Nothing new to install. Nothing new to learn.
- ✓ **Voice Notes Welcome.**
Boss prefers voice over typing? Raven AI transcribes Malay & English voice messages and replies in seconds.
- ✓ **Group-Friendly.**
Tag Raven AI in a group chat. It answers without breaking the conversation.

BEYOND WHATSAPP

Telegram · MS Teams · Slack · Discord · Your Website

All channels. One brain.

SIDE-BY-SIDE

Why Raven, not the others.

	GENERIC GLOBAL	RAVEN AI
